John Lewis	4	m				Alabama	Dec		Cholera	3 weeks	
Mary Winslow	11	f				Alabama	May		Cholera	3 weeks	

Remarks: The remembrance brought from your instructions is hereby submitted to the best of my ability. My District have enjoyed the best of health for the last year for the reason that we use the best of water we use mostly the clear stem water there is in some sections of my District the strongest of lime stem water has had passed in all instances to be entirely healthy the land is adapted to the raising of Corn and Cotton Rice and Potatoes in great abundance.
